WINE LIST

At Bill&Coo, our wine selection has been thoughtfully curated to highlight the richness of the Greek vineyard, with a special focus on the Cycladic terroir. With respect for the land, its uniqueness, and seasonality, we present a collection of labels that express the character and authenticity of Greece.

At The Coast Bill&Coo, we invite you to embark on a journey of flavors and aromas, where each wine has been selected to complement and elevate the dining experience. We place great emphasis on the harmony between food and wine, creating pairings that enhance every dish.

Alongside our Greek labels, we have also included a selection of international wines, offering a broader perspective and catering to a variety of preferences.

From the mineral-driven whites of the Cyclades to the more complex and expressive varieties from across Greece - complemented by carefully chosen international options - our wine list reflects both the diversity of the Greek terroir and the elegance of the global wine scene.

We welcome you to discover the contemporary identity of Greek wine and to enjoy an experience that blends tradition, evolution, and genuine hospitality.
